

# Bush Honeysuckle Blitz

## Schulze Nature Preserve

### WE NEED YOUR HELP!

Ozark Regional Land Trust's preserve in Washington, MO is in serious need of bush honeysuckle removal. Join fellow volunteers to help restore the forest, enjoy the Spring weather, and explore the new trails on the Schulze Nature Preserve!

Besides some hands-on volunteering, participants will learn ways to control bush honeysuckle invasion in natural areas and your own landscape.

**For more information**, contact Nic Rogers at [narogers@orlt.org](mailto:narogers@orlt.org) or 307-343-2687.

# March 30, 2019 10:00am - 3:00pm

Schulze Nature Preserve, 370 M.E. Frick Drive, Washington, MO

### What to bring

- Loppers, hand saws, shovels - ORLT has some tools to provide
- Reusable water bottle - refills and snacks available on-site
- Gloves, close-toed shoes, and attire for a day in the woods
- Lunch if you would like to stay for the afternoon
